Word of Life - "We are facing an enormous and dramatic clash between good and evil, death and life, the 'culture of death' and the 'culture of life'. We find ourselves not only 'faced with' but necessarily 'in the midst of' this conflict: we are all involved and we all share in it, with the inescapable responsibility of choosing to be unconditionally pro-life"

(The Gospel of Life 28).

SAINTS FUN FACTS

Written & Illustrated by John Sheppard

Saint Patrick is one of the most popular saints. Enslaved as a young teen by pagans and Druids, he turned to God while in captivity.

Escaping at age 20, he returned to his family and began studying for the priesthood. He preached throughout Ireland converting many over 40 years. He died at Saul, site of the first church he built.

Catholic Sisters Week 2023

Every year, women religious stand with those experiencing poverty, teach children, pray and work to curb injustice, share spirituality, promote peace, create community, assist immigrants and offer hope.

Catholic Sisters Week is March 8-14 this year. Let's shine the spotlight on women religious to encourage them in their ministry, pray for them and thank them for who they are and what they do to spread the Gospel. As more young women meet women religious actively working in so many varied fields, their spirituality, mission and community building, more will follow their example.

Consider a thank you note or any token of appreciation to these incredible women.
