August 16, 2019

Dear Brothers and Sisters in Christ,

As you know, a lawsuit has been filed against me alleging that I have committed a grievous act. The abuse of a child is despicable. This false accusation against me has no merit whatsoever; I have vigorously defended myself and will continue to do so.

As this case moves forward, I remain your Bishop. I will, however, temporarily reduce my public presence, as I do not want to distract the focus from the important ministries of the Church in South Carolina – including creating safe environments for our children.

I understand that these are challenging times for you, the faithful, and the coming days may be even more so. Please know that I am grateful for your prayers. St. Michael the Archangel, pray for us.

In the Lord's Peace,

Most Reverend Robert E. Guglielmono  
 Bishop of Charleston

 Credible Catholic is NOT just another provider of Catholic content. It is a force designed to stem the atrophy from within our Church and theism in general. Credible Catholic marks the return of apologetics in our education channels. We seek to completely discredit the 4 secular myths indicated in PEW research surveys that creating the "NONES" (non-religiously affiliated young people).

To this end, Credible Catholic offers online teaching products based on an incredible array of intellectual content from Father Robert J. Spitzer, S.J., Ph.D. called the 7 Essential Modules. The modules are FREE and are designed for middle schools, high schools, RCIA and confirmation programs, as well as religious education classrooms. Both versions are available in Spanish. These modules are supplementary materials meant to enhance your current curriculum, not replace it.
