When we encounter Christ, experience his love, and deepen our relationship with him, we become more aware of our own worth and that of others. His love for each person is cause for great joy, and growing understanding of this priceless treasure motivates us to share his love with others. Our lives are often changed by the witness of others; so too, others' lives may be changed by our witness and authentic friendship with them."

TRADICIONES DE NUESTRA FE

Al escribir *Tradiciones de nuestra fe* me he encontrado con muchas fiestas patronales en España, Latinoamérica y Estados Unidos de América. Muchas de ellas mantienen su carácter religioso mientras que otras son simplemente una excusa para festejar, mejorar la economía local o hacer política, pero no por estas razones deben ser descartadas.

Tomemos, por ejemplo, la fiesta de san Sebastián de las Ovejas en la frontera entre Argentina y Chile. Esta fiesta es más vieja que ambas naciones y su peregrinación pisa los dos suelos. A lo largo del tiempo, esta fiesta ha sufrido por razones políticas entre ambas naciones, pero a partir de 1980 las autoridades eclesiásticas, civiles y gubernamentales han intentado revitalizar esta fiesta por varios motivos.

Las autoridades eclesiásticas la usan para renovar el cristianismo añadiendo las enseñanzas y prácticas del Concilio Vaticano II a las tradiciones antiguas. Las autoridades civiles la utilizan para incrementar el comercio y el turismo en la región. Los gobiernos de Chile y Argentina la ven como un enlace benéfico entre ambas naciones.

Las fiestas patronales buscan integrar todos los aspectos del ser humano, su política, economía, cultura, celebración y religión.
