Word of Life - "An unexpected pregnancy can be a difficult and frightening time, and it's important that your friend knows you are thinking of her and supporting her. ... don't forget the most important thing is to pray. Even if it's just a quick two-second prayer, prayer is the most effective way we can help. Pray for her, for her child, and for guidance in how you can give her the best possible support."

He is With US

*Lord of the universe, as we marvel at the wonder of your creation,
we stand in awe of your consistency.*

*No matter how much we learn, how we care for,
or fail to care for, your handiwork, you do not change.*

*Despite our faults, you remain our rock and our help.
Great or small, strong or weak, powerful or forgotten by society,
you bend down to be with each of us.*

*You became one of us to show us the way.
You who know our comings and our goings,
you who are always with us, help us learn to be always with you.*

Teach us to trust in you.

*Help us to be attentive to the promptings of the Holy Spirit.
For in doing so we see your hand at work in the world around us.*

Amen
