ONLINE GIVING

If you are not already enrolled in Online Giving, we encourage all parishioners to try it. There are numerous benefits...

- You will have a monthly record of your contribution via your credit card statement or bank statement.
- It would minimize the staff and volunteers handling cash, checks and envelopes for bank deposits. Especially important during this pandemic.
- It creates office efficiency.
- If for some reason you are unable to attend Mass, your contribution is still available to the church.

Simply go to our website at www.ccloris.com and scroll down to the center right of the home page until you see the button marked

Click on the button and it will take you to the Online Giving page where you can follow the instructions.
